

Award Certificate

The

Gütegemeinschaft Imprägnierte Holzbauelemente e.V.
Saarlandstr. 206, D-55411 Bingen-Büdesheim

based on the test report submitted by the quality assurance committee
herewith grants the company

eibe Produktion + Vertrieb GmbH & Co. KG
97285 Röttingen

the right to use the
Quality Label for Impregnated Timber Construction Elements,
which is recognised by RAL, Deutsches Institut für Gütesicherung und Kennzeichnung e.V.
and protected as a collective mark through registration with the German Patent Office.
QUALITY LABEL - IMPREGNATED TIMBER CONSTRUCTION ELEMENTS

The use of the quality label is limited in time until 31.12.2016

and assumes the supervision of the
quality and test conditions.

Bingen, 01.01.2015
